**ORPHANS' COURT EFILING GUIDELINES THROUGH ODYSSEY FILE &  
SERVE (OFS)**

These guidelines are provided to supplement the procedural requirements for e-filing in the Orphans' Court Division set forth at Lehigh County Court Rule 4.7-1 et. seq. It is the obligation of the filer to comply with all requirements and resubmit filings that are rejected. The filing date is the date when a filing is accepted by the Clerk of the Orphans' Court. Additional information regarding e-filing through OFS can be found at <https://pennsylvania.tylertech.cloud/ofswb> or OFS OrphansCourtSupport@lehighcounty.org

**I. General E-filing:**

- A. All documents filed through OFS must include page numbers, be in proper sequential order, in legible PDF format and contain all the following:
1. A 3-inch margin at the top of the first page for timestamp and other official use.
  2. File Number. NOTE: If a Register of Wills ("ROW") file exists for a decedent's estate, that file number will be assigned to the Decedent's Estate case type in the Orphans' Court ("OC").
  3. A caption that includes the name of the decedent, trust, incapacitated person, or minor, and not the names of petitioners/respondents fiduciaries, or parents of minors. (e.g. In re: Estate of Jane Doe, dec'd; In re: Jane Doe Testamentary Trust; In re: Guardianship of Jane Doe, an Alleged Incapacitated Person; In re: Jane Doe, a minor)
  4. Accurate and concise title, e.g. Petition; Answer; Brief; Affidavit of Service
  5. Digitized signature or the name of the filer preceded by /s/ accompanied by the attorney/pro se filer's printed name.
- B. A proposed order filed through OFS must:
1. Contain a 3-inch margin at the top of the first page for timestamp and other official use.
  2. Be titled "Order" (not "Proposed Order")
  3. Contain the correct File Number
  4. Include the exact name of the pleading to which it relates and a blank space for

insertion of the date on which that pleading was filed (e.g. “Upon consideration of the *Petition For Appointment of Successor Trustee* filed \_\_\_\_\_,”)

- C. Party information and addresses must be entered using upper and lower case letters and without using any punctuation. (e.g. John Doe Jr )
- D. A *Praecipe to Attach* is to be filed as the Lead Document and the supplied information is to be filed as an attachment (e.g. *Praecipe to Attach* is the lead document and “*bank account statements*” the attachment)
- E. Multiple pleadings are to be filed in single envelope as separate Lead Documents (exhibits referenced in a petition are to be included as part of that Lead Document, unless an exhibit is a Confidential Document, *See*, Section II (3) below).
- F. In order for a **new party** to be able to **file to an existing case for the first time**, their counsel must first complete and file an *Entry Of Appearance* form, or the unrepresented new party must complete and file an *Entry Of Appearance of Self-Representation* form. Upon acceptance of that form, a new party will be able to file to an existing Orphans’ Court case.
- G. Complete the **Case Information Section** by selecting “Orphans’ Court” as the Location: and “Family” as the Category, and selecting a Case Type from the dropdown menu then complete the **Party Information Section** and the **Filings Section**  
NOTE: If “Petition for Issuance of Citation/Notice To Plead” is selected from the Filing Code dropdown menu, anyone requiring notice who is not already a party must be added to the **Parties Section** as Respondent and/or Party In Interest

## II. Public Access Policy and Electronic Filing:

- A. When required by §7.0(D) of the state Case Records Public Access Policy, the *Certificate of Compliance* is to be filed as part of each pleading and NOT filed as a separate Lead Document.
- B. When required by §8.0 of the state Case Records Public Access Policy, redacted pleadings filed with a *Confidential Information Form*, are to be filed as two separate Lead Documents within the same envelope, e.g. “Minor’s Compromise Petition (redacted)” “Confidential Information Form” “Proposed Order”)
- C. When an exhibit to a pleading is a Confidential Document as defined in §8.0 of the Case Records Public Access Policy, the exhibit and the *Confidential Document Form* required by §8.0 are to be filed as the same Lead Documents within the same envelope as the pleading (e.g. “Minor’s Compromise Petition;” “Confidential Information Form”, “Confidential Document Form – Medical/Psyc Records;” “Proposed Order”).
- D. Because all incapacity pleadings filed pursuant to Chapter 55 of the PEF Code, other than a decree of adjudication, are unavailable to the public pursuant to §9.0 of the state Case

Records Public Access Policy, such pleadings are not to be redacted and need not be filed with Confidential Information Form and exhibits are not to be separately filed with Confidential Document forms.
